Dear Professor,

We are delighted to send you the Jean Monnet plaque, which the Executive Agency is awarding to your institution.

The purpose of this plaque is twofold. It serves primarily as a label signifying quality in European integration studies and represents the achievements of your Jean Monnet Associations in this field.

At the same time it also provides visibility for the Jean Monnet Action, presenting it as the focal point within and outside your institution for the promotion of European issues.

We hope that you will display the plaque with pride and wish you continued success in your European endeavours.

Yours faithfully,

François Willekens
